WE ARE ROTARY

Rotary brings together people like you – from all walks of life – who want to use their expertise for good. People whose sense of responsibility inspires them to give back to their communities.

Together we empower youth, improve health, promote peace, and advance our communities in all corners of the globe.

With 1.2 million members in 34,000 clubs worldwide, our global community's impact has never been greater. And it continues to grow.

SERVICE ABOVE SELF

The world's 13th club, the Rotary Club of Kansas City, Missouri, has remained committed to the highest standards of service and ethical practices since our first meeting in 1910.

Our membership reflects a broad cross-section of Kansas City business, nonprofit, community and civic leaders. Younger members work alongside seasoned professionals ... remaining true to our long tradition of "service above self."

And in the process, we make valuable contacts ... and forge lasting friendships.

SERVING HERE ... AND ABROAD

The Rotary Youth Camp, our signature project, is located on 27 wooded acres bordering Lake Jacomo in Lee's Summit, Mo. Thousands of campers with a diversity of needs enjoy this multi-million-dollar facility free of charge. Our club members support and maintain this incomparable camp, one of only a few such camps in the world.

Club members also volunteer for a host of local and international projects – ringing bells for the Salvation Army, bringing clean water and shoes to children beyond our borders, helping at the food bank, giving blood to the Red Cross, serving at the community kitchen, supporting literacy, providing local scholarships and much more.

MAKE IT HAPPEN!

Join Rotary and you join like-minded leaders taking action on any number of important issues affecting our community, our nation and the world. You can help make it happen!

People join our Rotary club for many reasons – community involvement, personal development, professional networking and camaraderie.

But perhaps you will find that the most important benefit is the satisfaction you gain from making a real difference in our world. Be one of us!

"Service above self summarizes what Rotary is all about, doing more good in the world than would otherwise happen."

– Rotarian and federal judge Duane Benton
