

CAMP CORNER

Dear Gentlemen:

We have planned to write a note since Susan went to Rotary Camp in July. It was so pleasant she enjoys looking through her album often.

The camp is in a beautiful setting. The staff, counselors, and campettes were such outgoing people. They gave Susan a chance to see herself in a different way. She felt a whole person again. The campers were very nice. Susan had graduated from high school before her accident so she especially enjoyed the campettes.

She would have stayed all summer just to use the beautiful pool.

Once again we want to thank you for such a great camp and camp-site. We shall never forget it.

Sincerely
Barbara Sharpe
